The Daily Quote

"House Republicans have been meeting to figure out their next strategy on the debt ceiling... Numerous reports have covered the House GOP's open strategy session, in which dozens of members offered strategy suggestions ranging from the wacky to the truly deranged... [A]bsolutely nobody within the House Republican caucus is even considering just lifting the debt ceiling. Everybody agrees they must demand a new hostage. The proposed demands change from tax reform to spending cuts to delaying Obamacare to the Keystone pipeline to the Paul Ryan budget to banning certain types of abortion."
